

God is on the move in Indiana! By Monday, July 4, 2022, *Indiana First Audit* (IFA) will know if the Indiana Secretary of State has implemented IFA's mandates related to election integrity. By the end of this month, we expect to know if Indiana's upcoming *Special Session* will result in abortion being illegal in our state. These 14 prayer requests are pivotal to our future.

PLEASE PRAY FOR:

- Personal Spiritual Alignment, from the inside out.** What is God asking you to change in your life?
- The Spiritual Alignment of your city, county, and our state.**
- The *Indiana First Action* election integrity project.** Pray for the safety of their families, and for the wisdom, discernment, and courage of the team members. Click here for [a Facebook post on this topic](#).

- Election truth to be exposed and victory for IN Secretary of State (SOS) Candidate State Diego Morales.** In 2020 and 2022, 60% of Hoosiers are voting on election systems that have no paper trail and cannot be effectively audited. Pray for the 2022 GOP candidate for SOS. Pray for protection of him and his team, continued focus on the mission, and victory in November. For more information: <https://diego4indiana.com/>
- The *Special Session* is now scheduled to begin on Monday, July 25th.** This is God's timetable, not the Governor's. God is giving us the full month of July to pray and work for what He wants to accomplish.
- Monday, July 25th, "Stand for Life Legislative Rally," at the Statehouse, beginning at noon.** The pro-abortion group will be at the Statehouse all day. As we write this, they have 1,700 people committed to attending their rally. They will likely have more. If the dark side has 2,000 supporters and we have 200, that communicates a message to the legislators! Please pray for critical mass for life. This is the MOST important time to show support for life. We need emails. We need phone calls. But on this day, we also need bodies. First impressions are critical.
- State Representatives Curt Nisly and John Jacob.** They provide key leadership to the House, especially on the topic of ending abortion. Pray for wisdom and courage. Join our Facebook page for more info: [@ConquestToConquer](#)
- The activation of liberty-minded Christ-followers.** We can participate in the legislative process by calling our State Representatives and State Senators. We also need Christians to testify in Committee, times to be announced.
- A bill to make abortion illegal with no exceptions.** It doesn't matter how life is created, all human life is created in the image of God and must be protected. Murder is murder, no matter the age.
- Your State Representative and State Senator.** Pray God will move them to accept "no abortion with no exceptions."
- Our state legislators to have the courage to make decisions based on life beginning at conception.** The Indiana Code (IC 16-34-2-1.1) recognizes "...human physical life begins when a human ovum is fertilized by a human sperm." It is time we follow the law and protect this life, with no exceptions. We need to repent for our State's apathy.
- The House and Senate to agree on the same language, "no abortion with no exceptions."** A bill cannot move to the Governor unless both chambers agree on the same wording.
- Speaker of the House Todd Huston and Senate President Pro Tem Rodric Bray.** Pray that God will give them the conviction of "no abortion with no exceptions."
- Governor Eric Holcomb.** Pray that God will give him the conviction of "no abortion with no exceptions."
