How will I make Indiana a model of election sanctity for all America?

Specifically, I will enact three reforms as Secretary of State of Indiana, to become a prototype for all of America to emulate.

- 1** We must **MOVE TO PAPER BALLOTS** with a physical audit trail that **CANNOT BE HACKED**.
- 2** We must insist on **IDENTIFICATION TO VOTE**, to certify that every ballot comes from a legitimate American citizen.
- 3** Finally, we must mandate that **EVERY HOOSIER VOTE IN PERSON IF POSSIBLE, WITH IMPORTANT EXCEPTIONS** for those who cannot physically get to the polls, including the infirm and those serving America on deployment, as I myself served in the US Army.

With these reforms, we can ensure that we **NEVER REPEAT THE MISTAKES OF 2020** and we can **MAKE INDIANA A MODEL STATE FOR ELECTION SANCTITY**.

PRE-ELECTION COMMITMENTS	POST-ELECTION RESULTS	GRADE
<p>PAPER BALLOTS, HAND-COUNTED</p>	<p>Indiana still utilizes hackable electronic voting systems which Diego opposed when running. A "Trust and Transparency Act," HB1286, which should have been the first bill Diego championed in 2023, has been introduced this year by Rep. Sweet. Will Diego support this? He has the backing of the RNC, who formally adopted a Resolution in 2023 entitled the "Return to Excellence in Voting," resolving to support counties that implement hand counting procedures that are fully auditable.</p>	<p>INCOMPLETE</p> <p>Pending Diego's support</p>
<p>PROOF OF CITIZENSHIP TO VOTE</p>	<p>Legislation which will tighten up proof of U.S. citizenship, HB1264, has been introduced into the Indiana House. Looks promising. Will Diego offer his strong support to get this bill out of committee and passed by the legislature?</p>	<p>INCOMPLETE</p> <p>Pending Diego's support</p>
<p>IN-PERSON VOTING: LIMIT THE USE OF MAIL-IN BALLOTS to restore Hoosier confidence in elections</p> 	<p>Eleven options for requesting mail-in ballots are untouched and still in play. No limitations have been proposed.</p>	<p>FAIL</p>
<p>PROUD MAGA DEPLORABLE</p> <p>Diego on War Room: "I'm a Proud Deplorable."</p> 	<p>Diego appealed the victory from John Rust's lawsuit pertaining to the unconstitutionality of the two-primary rule and asked for a stay. In 2022, dozens of promising and capable non-Establishment candidates (both R and D) were prevented from running for office because they had not voted in two primaries. This appeal and request for a stay of the judge's decision appears to have been done to protect those already in power.</p>	<p>FAIL</p>
<p>Diego on War Room: "I am gonna be the protector and defender of our elections."</p>	<p>HB1505 was introduced by Rep. Speedy in 2023, but was not supported by Diego. This bill required accessible source code from vendors and electronic voting system equipment to be forensically audited before, during and after the 2022 election. Why didn't Diego think this was important? Now, in 2024, Rep. Sweet has introduced the "Trust and Transparency Act," HB1286, which would allow Diego to fulfill completely his promises and his oath to protect our elections from enemies both foreign and domestic. Will he make clear to our Election Committee Chairs and to our legislators that he fully supports this bill and expects their support of it as well? Go, Diego, go!</p>	<p>INCOMPLETE</p> <p>Pending Diego's support</p>

PRE-ELECTION COMMITMENTS	POST-ELECTION RESULTS	GRADE						
<p>REDUCE EARLY VOTING</p>	<p>Below, Diego's staff endorse "Bank the Vote" at Republican booth. Banking the Vote is the opposite of reduced early voting. The RNC Resolution of 2023 supports precinct polling, opposes vote centers, and supports "preventing further expansion of early voting that makes Election Day tabulation more complicated and delayed."</p> 	<p>FAIL</p>						
<p>Diego states he will REPLACE ERIC WITH A SYSTEM THAT WORKS FOR US.</p> 	<p>Thankfully, Indiana never used the ERIC (Electronic Registration Information Center) system.</p> <p>Indiana has had its own statewide voter roll system since 2005.</p>	<p>FAIL</p>						
<p>TRANSPARENCY FROM THE SECRETARY OF STATE OFFICE</p>	<p>No Cast Vote Record transparency. Cast vote records (CVRs) are paid for by Hoosier citizens and are not 'private' per the National Institute of Standards and Technology. Over half the states have provided their CVRs to citizen analysts. Why not Indiana? No Transparency. No Trust.</p>	<p>FAIL</p>						
<p>DIEGO TOOK SEVERAL COUNTY CLERKS TO GUATEMALA to see a demo of hand-counting ballots.</p> 	<p>What was the purpose of this trip? Why was \$20,000 in privately funded and federal grant money used?</p> <p>The group witnessed demos of voters using color-coded ballots, and dipping their fingers in ink to prevent double-voting.</p> <p>Guatemala utilizes paper ballots. Why don't we?</p>	<p>INCOMPLETE</p>						
<p>THE AMERICA FIRST COALITION</p> <p>America First SOS coalition candidates Who they are and the job they want</p>  <table border="0"> <tr> <td>Mark Finchem Arizona Secretary of State</td> <td>Kristina Karamo Michigan Secretary of State</td> <td>Kari Lake Arizona Governor</td> <td>Jim Marchant Nevada Secretary of State</td> <td>Doug Mastriano Pennsylvania Governor</td> <td>Diego Morales Indiana Secretary of State</td> </tr> </table>	Mark Finchem Arizona Secretary of State	Kristina Karamo Michigan Secretary of State	Kari Lake Arizona Governor	Jim Marchant Nevada Secretary of State	Doug Mastriano Pennsylvania Governor	Diego Morales Indiana Secretary of State	<p>A pragmatic, functional agenda was agreed upon which the candidates will implement upon their election to Secretary of State within their respective jurisdictions. It includes:</p> <ol style="list-style-type: none"> 1. Voter ID..... <input checked="" type="checkbox"/> 2. Paper Ballots..... <input checked="" type="checkbox"/> 3. Eliminate Mail-In Ballots; <input checked="" type="checkbox"/> Keep Traditional Absentee Ballots 4. Single-Day Voting..... <input checked="" type="checkbox"/> 5. Unfettered Poll Watch Reforms <input checked="" type="checkbox"/> 6. Aggressive Voter Roll Clean-Up..... <input type="checkbox"/> <p>Election skeptics slow to get sweeping changes in GOP states</p>	<p>INCOMPLETE</p>

<p>DIEGO POSTED ON FACEBOOK June 20, 2022:</p>	<p>All of the failed grades above could have been passing grades had Diego employed the courage necessary.</p>	<p>INCOMPLETE</p>						

Courage doesn't mean you don't get afraid. Courage means you don't let fear stop you.
